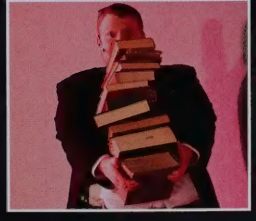
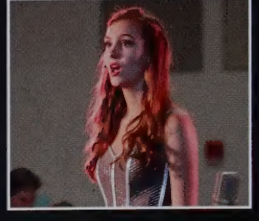
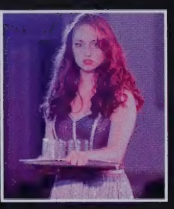
DANCE!

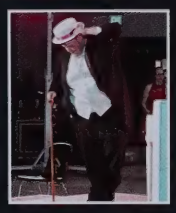
DeKalb High School held the annual semi-formal on November 12th, 2016. The star dancers resembled the theme of starry night during the dance. Favorite songs were played and classic dance moves were shown.

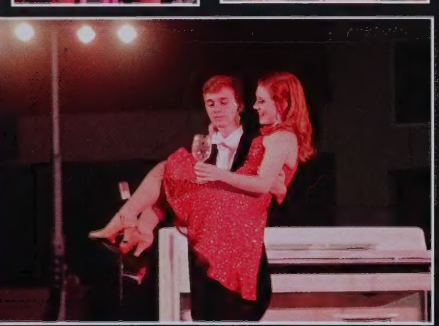


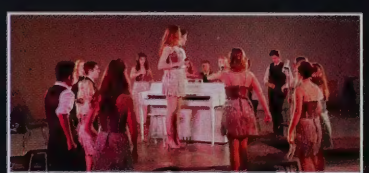


Cole

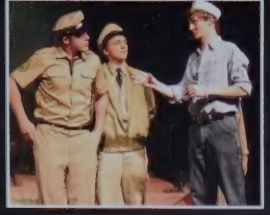


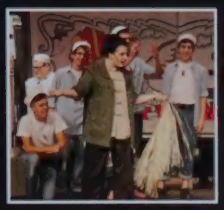




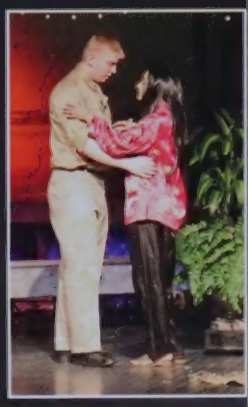


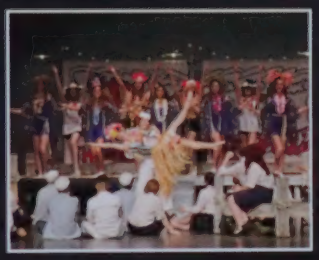
In honor of Indiana's bicentennial, Cole was chosen to be this fall's musical. Cole Porter, an Indiana native, defied his family and became a professional musician. His career at first started slow but soon Cole Porter became a major songwriter for Broadway. Cole, the musical, shares the life story of Cole Porter and includes many of the songs that he has written.

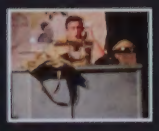


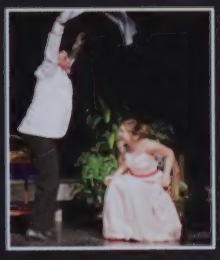


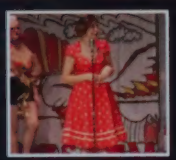
The musical "South Pacific" is set during WWII, on an island in the South Pacific. Nellie Forbush, an American nurse, has found herself to have fallen in love with French Plantation owner Emile de Becque. Nellie struggles to accept Emile's Polynesian children. The plot also follows U.S lieutenant, Joe Cable and a Tonkinese woman named Liat. Joe has fears of being with his love, Liat, for the social repercussions that will follow.

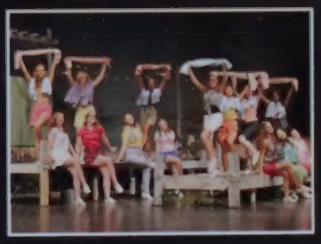


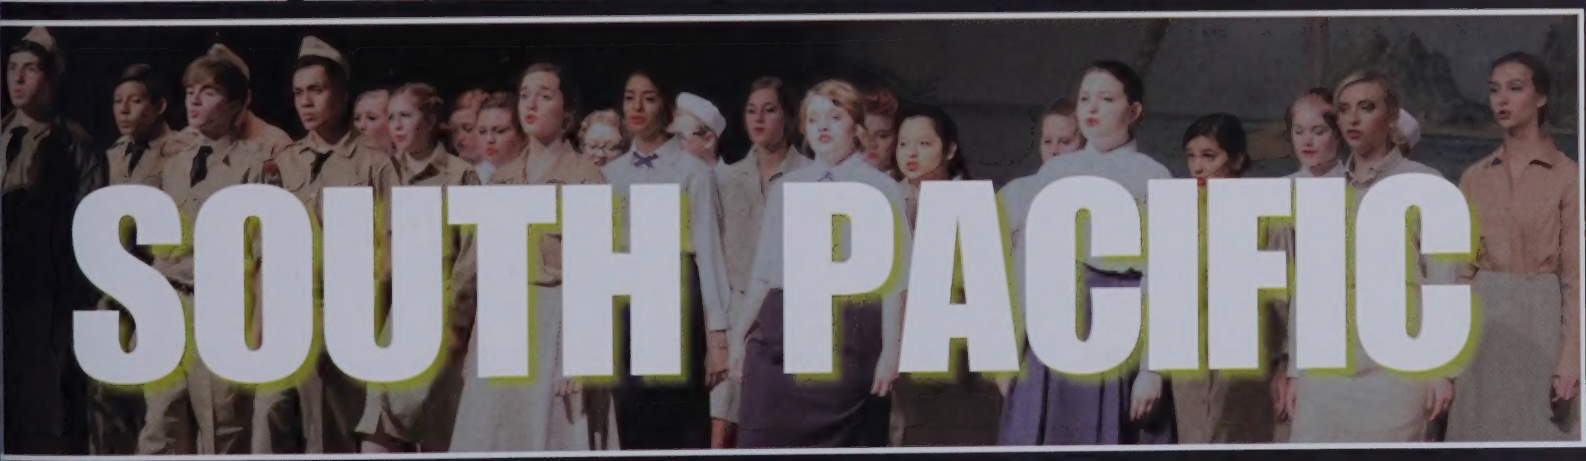


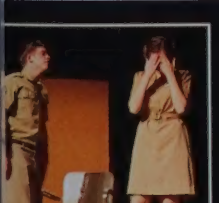


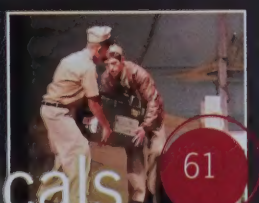




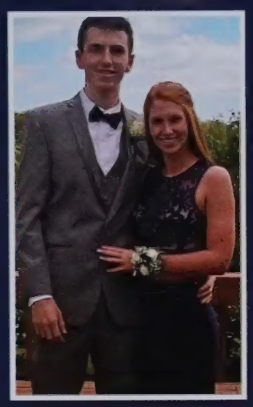


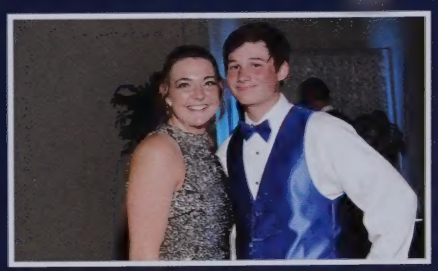


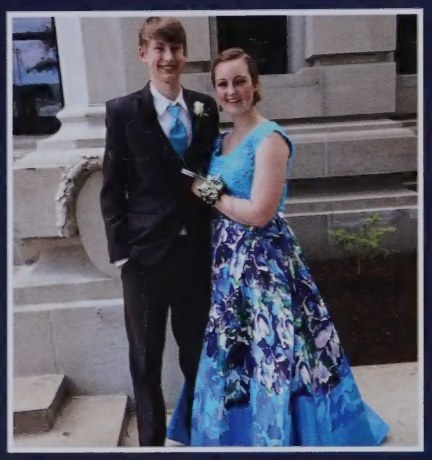


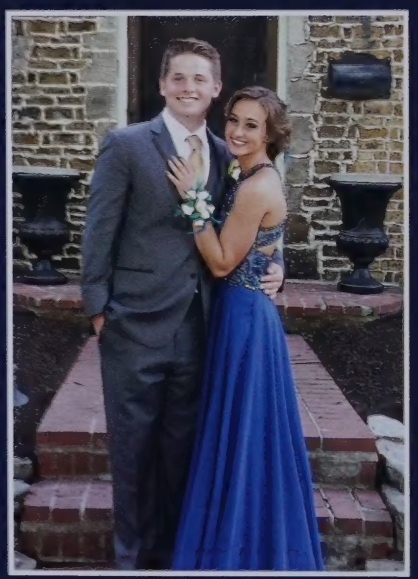


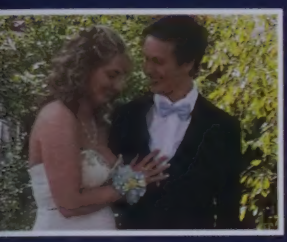
Once Upon A Time...

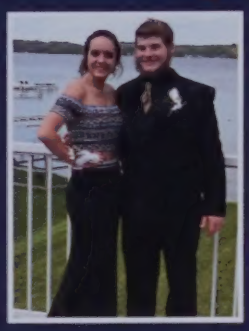












Once upon a time... There was a kingdom full of princes and princesses. On the date of May 13, there was a ball being held. All the royalty were eager to attend. It was a magical night, for this was the night the King and Queen would be announced. The prom court eagerly awaited to hear who would be announced Queen and King. Megra Arterburn was crowned Queen and Kendall Johnson was crowned King! The court danced the night away and everyone lived happily ever after.

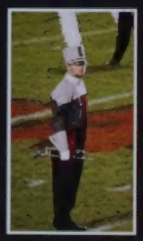
"...I love to listen to our amazing flute soloists play their duet. I think the reason I enjoy conducting the piece the most would be when we hit a part of the movement called "vicious". It's loud, crazy, dissonant, fun, and it sets the crowd on fire. Those are the moments I live for." -Andrew Hartman, Drum Major.

"[Nightmare] is a blast to conduct because it portrays all of the hard work all of the members of the Brigade throughout the season by putting an explosive end to the show." - Jake Haberly, Drum Major.

"I think the best strength demonstrated in the marching band would be the idea that we are a family, and we all have to contribute our best in order to succeed as a whole. " -Abigail Lynch, Drum Major.

Time To March Nightmare

This year Baron Brigade's season was full of many highs and lows. With their theme being Nightmare, their practices were full of eerily well-written music. When it was time to perform, the brigade was pumped and ready to take on anything. The brigade moved swiftly threw regionals and headed to semi-state, but their season came to an end they placed 11th and didn't qualify for state. Even though their season came to an early end, the Baron Brigade had many great accomplishments this season.



The Annual Pumpkin Smashing

wenty bands go to Pike High School for semi-state and nly ten of them make it to state. So for the graduating niors, the Baron Brigade takes 20 to 30 pumpkins and tes out each high school that qualified for semi-state on em. Next seniors pick which school pumpkin they want smash, and then take the pumpkin alter it by carving ut the inside, painting it or even replacing the insides with glitter, sparkles, Jell-O, whipped cream or even aving cream! The seniors then take their pumpkins to he top of the Brigade's marching tower and drop the mpkins. After every senior throws their pumpkin off of e tower, each senior gets three hits with a baseball bat and wrecks havoc on the pumpkins.

Time to *Graduate*

This year's ceremony marked the 50th graduation fo DeKalb students. Members of the first class were present and Dr. Dean Bard delivered an inspiring speech prompting the Class of 2017 to never stop learning and reaching their potential.

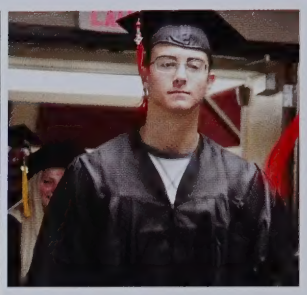
Dear Graduates:

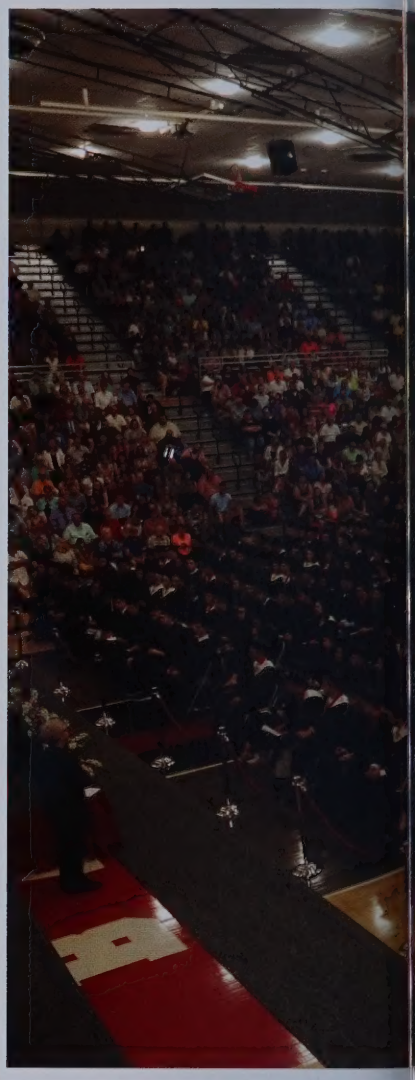
"The first graduating class of 1968 consisted of, roughly, 137 students while here, today, will be a graduating class of over 285. Over the course of 50 years, DeKalb High School has changed immensely."
Mackenzie Snider, Welcome

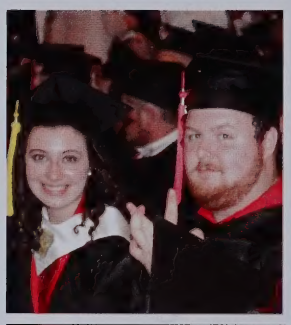
"Maybe it was kinda accidentally doing every assignment at 11 o'clock the night before it was due. Or pulling into the parking lot at 8:05 and sprinting to class. The tradition closest ti my heart came through marching band."
-Hannah Johnston, Salutatorian

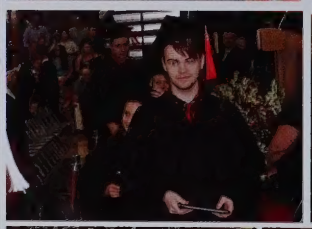
"Be kind, be courageous, be daring, be cautious, be wise, be informed, be unique, be loving, but, above all, BE FEARLESS."
-Aspen Bell, Valedictorian

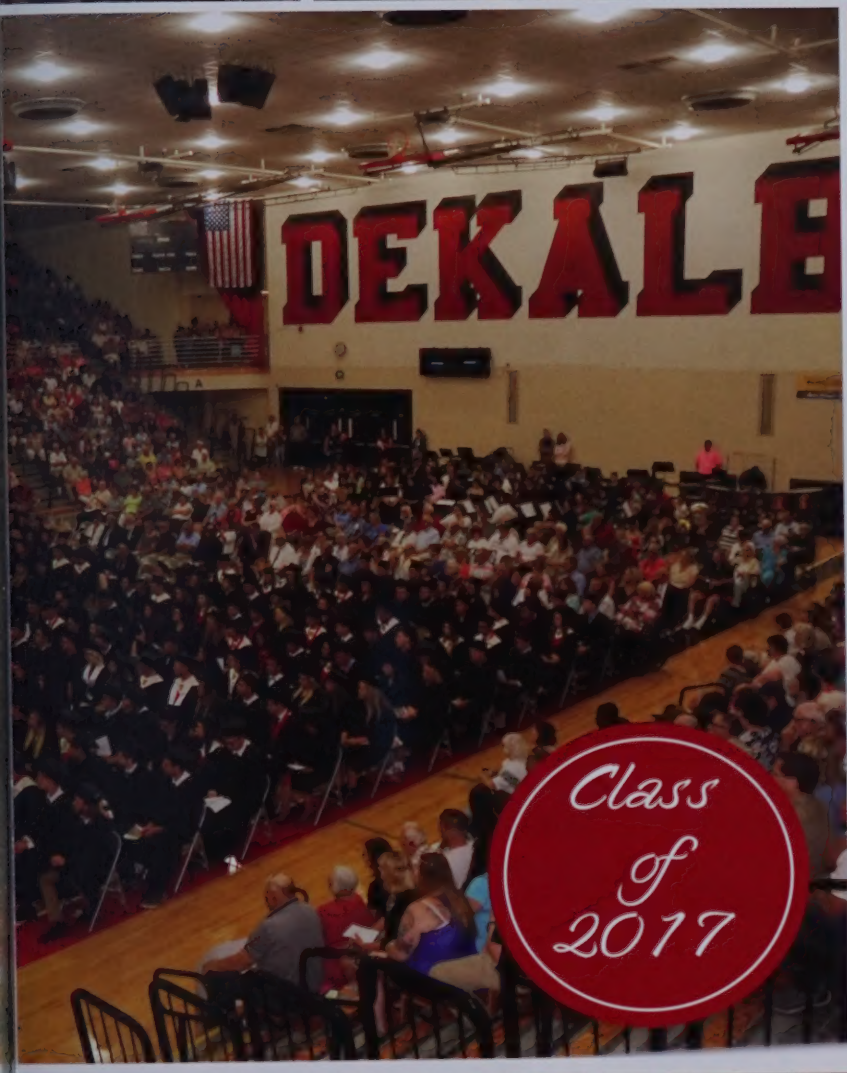
"Some of the constants in our lives are our family and our friends. Thank you for being everything from a reliable listening ear to an excited number one fan. By a small miracle, you are always there for us."
Ava Kuhn, Farewell











The senior choir members beautifully sang *The National Anthem* and *Back Home Again in Indiana*. This is a tradition that always begins the ceremony after the initial procession of seniors to the gym.

Whatever It Takes

This year has been one of amazing highs and incredible lows. It is a time that will never be left behind. As a program, we learned we can handle anything. There are so many touching stories of care within our football family from this season alone. I am amazed everyday as I get to witness so many different young men rise to the challenges that they might not be ready for, but are forced to face reasons outside of their control. The companionship that loss can create are great, but only if we can remember why they were created in the first place. The only message for the near future we can share is to not forget why we work. We work for each other. You are the reason someone can get up at 6:00 AM, you are the reason you get up after taking a hit, you are the reason someone can overcome hardship when things get difficult, WE ARE THE REASON. Love can create greatness, but only if you accept it into your life. We can do it BECAUSE there are people who can't do it anymore. Our program can continue to rise from the ashes or be torn apart by the satisfaction of mediocrity. The future promises the excitement of great potential that can only be achieved through commitment to the process.

"I personally believe that this season was filled with many ups and downs, but overall it is clear to me that from start to finish, both as a team and as individual players great improvements were made. Obviously we would have wanted to win a few more games, but this year was a big adjustment period for the players getting accustomed to a new system being implemented by a brand new coaching staff. Some key events indicating our teams improvements include having a home opening win against Garrett High School, and a big Conference win against Norwell. Our Senior's did an unbelievable job of setting high standards for hard work, determination, and most importantly teamwork no matter the task they were assigned to do. As we say farewell to them, we look forward to a new season next year lead by a group of mentally strong Juniors and a Sophomore class full of potential!"

What it takes to be a volleyball PLAYER

Kyrsten Butler:

Determination: When one has the mentality that they **can** do it. Make a goal and strive to get that perfect pass and game winning kill.

Passion: When one's heart and love is poured into volleyball, and they have the desire to be a volleyball player and be proud.

Foundation: When one works hard and passionately, using determination and dedication to practice. They do whatever they can to perform well for the big game, where it all pays off.

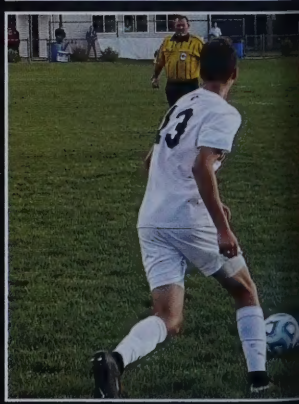
A Word from Coach Freels

Men's soccer once again put forth the effort needed to rise to the top. I am extremely proud and pleased with the dedication and commitment of the members of men's soccer during the 2016 season. With 110% effort, the boys were able to put together a perfect conference season and bring home the NE 8 championship. Baron soccer works as one entire unit to achieve what they work for. Every member pushes the next on and off the field to strive for excellence and to be the best they can be. With this in mind, each member this year helped us reach our goal of putting together the 16th consecutive winning season along with an NE 8 Championship. PRIDE, DEDICATION and RESPECT do pay off and in the end this year's team proved once again that PDR is not just a team thing, it's a LIFE thing. BARON UP! Once a BARON always a BARON !



Pride. Dedication. Respect.

Class of 2017: Best Wishes for the future! From: The Saber Staff.

In memory of our classmate and friend.

Jonah Warner

DeKalb lost 3 Barons this year, and although each loss was painful and almost unbearable at times, students, staff, and the community came together to not only honor the boys but also help each other. Gone but not forgotten: Jonah, Derek, and Lucas. The 3 balloons on the cover are in honor of them.

In memory of our classmate and friend.

Time to Appreciate Those Who Helped along the Way

The 2017 Yearbook Staff put together a really good book for our 50th edition, so we hope you enjoy it! The staff intentionally and diligently worked to put everyone in the book three or more times. Thank you to the students, coaches, and staff who agreed to give quotes and/or pictures for various spreads in the yearbook.

The 2017 Staff chose the theme "Time to...", and incorporated the theme in various ways throughout the book. On the cover, we have 12 pictures because 12 is a unit of "time". Of the 12 pictures, we chose pictures that were meaningful to the 2016-2017 school year. There were so many good photos and events to choose from, but we narrowed it down to the ones featured on the cover. On the back cover, with the help of Jostens' amazing artists, we created a Baron head made from the names of all the seniors.

Another new feature that the 2017 staff is proud to have in the book is the use of Aurasma. Most spreads have at least one video that coordinates with a picture. Be sure to follow the directions on page one. You can always ask one of us if you need help.

The 2017 Saber Staff would like to thank those who helped or contributed to the production of this publication in some way. Thank you to Josh Reidy, our Jostens rep.; Josh is the one who introduced us to Aurasma and put on the conference in Forth Wayne that we attended this year; this is where we created our cover and learned a few new things. Michelle Hollandsworth, our Lifetouch rep., who is always there when we need her. Because we can't be everywhere at once, we would like to also thank those who contributed photos to our book, especially: Valerie Hackbush (Show Choir), Carol Seavers (Boys Tennis), John Franks (Baseball), and Steve Bowen from www.bowenarrowphotography.com (Collages of Lucas and Derek).

A special thanks goes to Mrs. Rohm. Mrs. Rohm is the real M.V.P. She helped all of us fix our pages and made the class one to remember. Thanks, Mrs. Rohm.

Finally, we would like to end with a few final thoughts. We worked many hours both in and out of school to produce this book, and we are very proud of it. If you appear on a page, but you were not properly indexed, we apologize. Also, we accept pictures and try to include as many as we can throughout the book; there are a few ways to do this: You can give a physical copy to Mrs. Rohm in C213; you can email one of the staff members; you can upload pictures to Jostens "Replay It"; and you can also follow us on Twitter @DeKalbYearbook. *Thanks for the Memories*
